

To Whom It May Concern:

The Marin Community College District (MCCD) has adopted the California Uniform Public Construction Cost Accounting Act (CUPCCAA) and Informal Bidding Procedures under CUPCCAA.

This notice is an invitation to all licensed contractors/vendors to submit the name of their firm or update their firm's business profile for inclusion on MCCD's list of qualified bidders for the 2024 calendar year. All current registered vendors must click the edit button at the bottom right whether there are changes or not to acknowledge that their firm should be included on the qualified bidder list for the 2024 calendar year.

To receive notices or proposals, contractors/vendors need to be registered with the District's vendor portal, PlanetBids at: <https://www.planetbids.com/portal/portal.cfm?CompanyID=39469>. The PlanetBids system allows interested suppliers, contractors, and service providers to register online and receive automated email notifications of solicitations (Bids/RFP/RFQ) for goods and services pertinent to their business, as well as allowing registered vendors to download bid documents, receive addenda, submit electronic bids, and view bid results through the PlanetBids system. Both formal and informal solicitations will be processed through this system.

Vendors are responsible for registering and maintaining up to date and accurate business profile information in the PlanetBids system. Vendors may edit their profile information at any time.

Sincerely,
David L. Erlenheim
