

JANUARY 22 – JANUARY 25, 2019

Cal/OSHA 30-Hr General Industry

Meets AB 2799 training requirements! Our 30-Hour outreach course covers specific OSHA requirements as they apply to the general industry and teaches safety awareness which helps in recognizing and reducing the risks of job site hazards.

Our course puts emphasis on hazard identification, avoidance, control and prevention and is intended for supervisors or workers who have some safety responsibility.

Receive your 30-Hour Cal/OSHA General Industry Outreach course completion card!

Topics include:

- Electrical Hazards
- Exposures to Airborne Contaminants
- Flammable Liquids and Gases
- Hazard Communication
- Hazardous Energy – Lockout/Tagout
- Heat Illness Prevention
- Injury and Illness Prevention Program
- And more
