

SWPPP's Workshop

With the needed rains, keep your site clean and bank account healthy by attending this workshop for stormwater and erosion control issues. The focus will be on residential and commercial building sites in Sonoma County.

Please join us for an informative, complimentary 2- hour workshop for ECA and NCBE Members. \$25 for non members

Thursday, February 10
12 pm—2 pm
Via Zoom

Speakers:

***Mary A. Larsen, President
Stormwater Specialists***

***Bob Oller, City of Santa Rosa
Quality Control Associate***

This webinar will be free to NCBE and ECA members, but we need you to register in advance. Once registered, the Zoom invitation will be sent to you.

\$25 for non members
