

**ARE YOU LOOKING TO HIRE
ENTRY LEVEL CONSTRUCTION EMPLOYEES?**

PLEASE COME TO OUR INTERVIEW EVENT ON FRIDAY, JUNE 25th!

The North Bay Construction Corps is proud to announce that 36 students from our Sonoma County Chapter will be graduating from the NBCC program on **Friday, June 24th**. Many of these young men and women are eager to begin their construction careers so there will be an interview event to connect them to *companies like yours* who are hiring for entry-level positions.

This is a great opportunity for industry members to meet the young men and women who have worked hard to gain basic construction skills and certifications.

DATE & TIME: Friday, June 24th, 9:00 a.m.—12:00 p.m.

LOCATION: North Coast Builders Exchange
1030 Apollo Way, Santa Rosa, CA 95407
