

North Coast Builders Exchange

(NCBE) is a non-profit organization that offers a variety of services to its members, who are primarily involved in the construction industry.

One of the main services NCBE offers is an **Online Plan Room**, providing members with access to construction plans and specifications for projects in the state. Members can view and download plans, as well as receive notifications about upcoming projects. This allows members to stay informed and competitive in the bidding process.

NCBE hosts **events and workshops** throughout the year, which provide opportunities for members to network, learn about industry trends, and gain new skills.

In addition, NCBE offers a range of **member benefits**, such as health insurance, retirement plans, and workers compensation. These benefits help members save money and provide peace of mind, knowing that they have access to affordable and reliable resources.

NCBE serves as a **voice for the industry**, advocating for policies and regulations that support the needs and interests of its members. The organization works closely with government agencies, trade associations, and other stakeholders to ensure that the construction industry has a strong and vibrant future in the region.

Becoming a Member!

Premier Memberships

If you are looking to get your brand in front of NCBE members on a regular basis and participate in most or all of our events, this may be a great option. Our Premier members pay a yearly membership fee and their benefits are inclusive. There are three levels of membership: Platinum, Gold, and Silver.

Our Premier members receive Sponsorship recognition at most NCBE special events during the year. Recognition is given at our popular Member Appreciation BBQ, Golf Tournament, New Year Kick-off Party & Open House, Scholarship Benefit Crab Feed, and many others.

Limited Memberships

These memberships are offered to qualified individuals and businesses:

- **Student/Teacher Members:** Those attending high school or enrolled in college, university or trade school and those teaching construction-related courses.
- **Retired:** Former members who have retired.
- **Workers Compensation Only Members:** Licensed contractors who enroll in our Group Workers Compensation program. Full membership benefits are not offered under this classification.

For more details, contact our Membership Department at 707.542.9502.

Our Core Values:

Advocacy

We actively promote our industry to inform and influence political action and governmental policy.

Community

We are the trusted industry leaders partnering with and giving back to our community.

Resources

We support our members by providing and connecting them to business tools.

Education

We strengthen our industry through learning programs and scholarship investments.

Workforce Development

We train and develop our future industry workers and leaders.
